SCANNED

Pursuant to Section 209.0062, Texas Property Code, Iron Horse Canyon Homeowners Association, Inc., acting through its Board of Directors, has adopted the following reasonable guidelines to establish an alternative payment schedule by which an owner may make partial payments for delinquent regular or special assessments or other amounts owed to the Association, to-wit:

1. All payment plans must be in writing, signed by one or more owners of the property associated with the delinquent balance, approved by the signature of the President of the Association or the Association Manager, and provide that the owner shall pay future assessments when due, in addition to any arrearage payment due under a payment plan;
2. To be qualified for a payment plan an owner must not have failed to honor the terms of two previous payment plans in the two years prior to a request for a new payment plan;
3. No monetary penalties shall accrue on balances while a payment plan is in effect, but reasonable costs associated with administering the plan and interest shall continue to accrue;
4. Any qualified owner who owes a delinquent balance of \$300 or less shall be allowed, without deliberation by the Board, to pay that balance in three equal consecutive monthly installments, with the first payment due within the first thirty day period following approval of the payment plan;
5. Any qualified owner who owes a delinquent balance of more than \$300 shall be allowed, without deliberation by the Board, to pay that balance by paying twenty-five percent of the balance during the first thirty day period following approval of the payment plan, with the remaining delinquent balance to be paid in six equal consecutive monthly installments;
6. Any owner may submit a request for a payment plan that does not meet the foregoing guidelines, along with whatever information they wish the Board to consider, and the Board may approve or disapprove such payment plan, in its sole discretion; and,
7. If an owner who is not qualified to receive a payment plan asks for a payment plan, the Board shall be entitled to approve or disapprove a payment plan, in its sole discretion.

By their signatures below the President and Secretary of the Association certify that the foregoing was approved by the Board of Directors of the Association at a duly-called meeting of the Board of Directors at which a quorum of Directors was present, or by signed, unanimous written consent in lieu of a meeting.

Thus executed this 18 day of January, 2012.

Pursuant to Section 209.005(i), Texas Property Code, Iron Horse Canyon Homeowners Association, Inc., acting through its Board of Directors, has adopted the following records production and copying policy to prescribe the costs the Association will charge for the compilation, production and reproduction of information requested under Section 209.005, to-wit:

(b) Labor charge for locating, compiling, manipulating data, and reproducing information.

(1) The charge for labor costs incurred in processing a request for information is \$15 an hour. The labor charge includes the actual time to locate, compile, manipulate data, and reproduce the requested information.

(2) A labor charge shall not be billed in connection with complying with requests that are for 50 or fewer pages of paper records, unless the documents to be copied are located in:

- (A) Two or more separate buildings that are not physically connected with each other; or
- (B) A remote storage facility.

(3) A labor charge shall not be recovered for any time spent by an attorney, legal assistant, or any other person who reviews the requested information to determine whether the Association will raise any exceptions to disclosure of the requested information.

(4) When confidential information is mixed with non-confidential information on the same page, a labor charge may be recovered for time spent to redact, blackout, or otherwise obscure confidential information in order to release the non-confidential information. A labor charge shall not be made for redacting confidential information for requests of 50 or fewer pages, unless the requested documents to be copied are located in:

(A) Two or more separate buildings that are not physically connected with each other; or

(B) A remote storage facility.

(5) For purposes of paragraph (2)(A) of this subsection, two buildings connected by a covered or open sidewalk, an elevated or underground passageway, or a similar facility, are not considered to be separate buildings.

(c) Overhead charge.

(1) Whenever any labor charge is applicable to a request, the Association may include in the charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If the Association chooses to recover such costs, a charge shall be made in accordance with the methodology described in paragraph (3) of this subsection.

(2) An overhead charge shall not be made for requests for copies of 50 or fewer pages of standard paper records unless the request also qualifies for a labor charge.

(3) The overhead charge shall be computed at 20% of the charge made to cover any labor costs associated with a particular request. For example: if one hour of labor is used for a particular request, the formula would be as follows: Labor charge for locating, compiling, and reproducing, \$15.00 x .20 = \$3.00.

(d) Remote document retrieval charge. To the extent that the retrieval of documents results in a charge to comply with a request, it is permissible to recover costs of such services for requests that qualify for labor charges.

(e) Miscellaneous supplies. The actual cost of miscellaneous supplies, such as labels, boxes, and other supplies used to produce the requested information, may be added to the total charge for information.

(f) Postal and shipping charges. The Association may add any related postal or shipping expenses which are necessary to transmit the reproduced information to the requesting party.

By their signatures below the President and Secretary of the Association certify that the foregoing was approved by the Board of Directors of the Association at a duly-called meeting of the Board of Directors at which a quorum of Directors was present, or by signed, unanimous written consent in lieu of a meeting.
